Applicant's Name: ____________________________

Please complete this section in an honest, thorough, and thoughtful manner. Use your own words and type or print clearly.

1. Describe the way in which your specific learning disability affects you (such as in speaking, listening, taking notes, spelling, reading and writing compositions, etc.).

2. Why do you want to go to college?

3. Why have you chosen to apply to Project EXCEL?

4. What skills and strategies do you want to learn through working with the resources of Project EXCEL?
5. What are the things you do well?

6. Describe one specific situation where you felt challenged to perform. What did you do to work through the experience?

7. Describe the best teacher you ever had; the teacher who was best able to help you learn. Why do you think you learned well in this situation?

8. What do you plan to do after college?
