

Advanced Placement Credit

Upon successfully completing Advanced Placement courses and exams, you may qualify for credit at Mount St. Joseph University. AP credit is posted to your Mount transcript as transfer credit.

You may submit AP scores to the Registrar's Office in three ways:

- Designate the Mount as a recipient of scores when registering for AP tests.
- Have your high school send a copy of the AP test score transcript directly to the Mount; this document must include the high school's official seal and a school official's signature.
- Contact the AP office to send an official transcript of scores directly to the Mount. This can be done online or by calling 1-888-CALL4AP.

AP Qualifying Scores Effective UG14

AP Test	Min. Score	Credits Earned	Mount Credit & Equivalency	Core Code

	4	6	3 hours, HIS 106 3 hours, HIS 000	H

International Baccalaureate Credit

Mount college credit is awarded for scores of 4 or higher on higher level exams only. A score of 4 equals 3 semester hours of credit in the specific discipline. An official transcript of IB scores must be sent directly to the Registrar's Office for evaluation.
