Effective Now - MODIFICATIONS TO STUDENT ACCOUNT MANAGEMENT

The Student Administrative Services Office is excited to announce the new system modifications that provide more convenience and ease for our families to manage their education bill. This electronic platform replaces the hard copy billing statements and semester confirmation mailings that are currently being used.

Working together with Tuition Management Systems (TMS), we have begun to implement their newest technology that is integrated with our student accounting system which will provide updates to your student account, along with student balance information.

Effective Immediately:
You should have received an email notification from msj@afford.com which contains a unique, encrypted link. Access is available by clicking on this link. Register now and set up your profile information in the new system. This process is quick and easy and only needs to be done once.

After you have activated your account and set up your profile, your College of Mount St. Joseph student account will offer the following features:

**Account Summary Data** – available 24/7

**Account Activity** - also available 24/7

**Statements** – view account statement and also options to pay your bill including enrolling in a payment plan, or making payment by check, EFT, or credit card

**Ability to Share Account Access** – add a sponsor to assist in managing your account

**Direct Access** – available through msj.afford.com for authorized participants

These and many more robust features have been included in this system in addition to high levels of security to protect your data.
