MUSIC EDUCATION

The Music Education program prepares students to obtain multi-age licensure in music for teaching ages 3-21. Students perform throughout the year in formal concerts and are often featured on Open Mic Night. Professional musicians who are active in the regional and national performance scenes, as well as in the international academic field quide students in their study of music. A low studentto-faculty ratio sets the stage for valuable mentoring relationships. While at the Mount, students will engage in performances in academic, athletic, religious, and community settings. An audition is required for initial acceptance into this program.

HANDS-ON EXPERIENCE

Large ensembles, chamber

ensembles, and opportunities for individual performances abound. Many

students build experience in Church Music, and all students have the opportunity to serve communities in need. Outreach to retirement homes, underserved communities, and educational venues are a central part of the music education major experience.
