SCHOLARSHIPS AND FINANCIAL ASSISTANCE

As with any investment, you'll want to carefully manage your educational expenses. Our Student Administrative Services team can help you assemble a financial aid package that may include grants, scholarships, loans, and debt management assistance.

To determine if you are eligible for assistance, file the Free Application for Federal Student Aid at fafsa.gov several months before you plan to enroll. If your program begins with the summer term or later, you will need to file the 2018-19 FAFSA. Most grant and fixed-interest loan options are available only to students enrolled at least half time (six credit hours). **The Mount's Title IV code is 003033.**

LOAN AND PAYMENT OPTIONS

Federal Direct Loan

Long-term loan with fixed interest for students, regardless of need, enrolled at least half time. Graduate students are permitted to borrow up to \$20,500 each year and are responsible for interest that accrues.

Federal Grad PLUS Loan

Fixed-interest loan for graduate students enrolled at least half time. You must repay the amount borrowed with interest.

Tuition Deferment Program

For those eligible to receive employer tuition reimbursement. Pay one-third of the tuition and fees plus a \$15 administrative fee by the course confirmation date; the remainder of tuition is due 45 days after the last day of the semester.

Payment Plan

The Mount partners with Tuition Management Systems to offer an interest-free monthly payment option. There is a nominal enrollment fee to participate in the program. For more information or to enroll contact TMS directly at 800-264-6017 or msj.afford.com.

Nurse Faculty Loan Program (NFLP)

The Nurse Faculty Loan Program (NFLP) is intended to increase the number of qualified nursing faculty by providing loans to part-time and full-time students enrolled in the Educator Track of the Master of Science Program or in the Doctor of Nursing Practice Program. After graduation, 85 percent of the total NFLP loan is forgiven over a consecutive four-year period while loan recipients serve as full-time nurse faculty at a school of nursing (i.e., baccalaureate or higher degree, associate degree or diploma schools of nursing). Visit msj.edu/NFLP for the application and information.

Stafford Loan Forgiveness Program for Teachers

Individuals who intend to teach in schools or educational service agencies for five consecutive academic years serving students from lower socioeconomic backgrounds and who meet other requirements may receive up to \$17,500 in loan forgiveness. Please visit studentaid.ed.gov/tc to learn more about the requirements.

Public Service Loan Forgiveness (PSLF) Program

To encourage full-time employment with public service employers, individuals may receive forgiveness, under specific repayment plans, on the remaining balance of eligible federal student loans after 120 payments are made. Additional information can be obtained at studentaid.ed.gov/publicservice.

SCHOLARSHIPS AND GRANTS

Sisters of Charity Scholarships

For women who enroll for at least 12 credit hours during the academic year in the areas of Education or Religious Studies and who demonstrate financial need.

Ministry Tuition Grant

For religious studies students who are ministers (paid or volunteer) serving in a congregation, hospital, health care facility, social service agency, diocese, or educational institution. For 2018-2019, this grant reduces tuition to \$330 per credit hour during the summer months and to \$380 per credit hour during the rest of the year.

TEACH Grant

The Teacher Education Assistance for College and Higher Education (TEACH) Grant Program offers assistance to students who intend to teach in a high-need field and in a school that serves students from lower socioeconomic backgrounds. A minimum GPA of 3.25 is required. Please contact the Student Administrative Services Office at 513-244-4418 if you are interested or need additional information.
