portraiture as memory

september 23rd - october 28th

reception: october 4th, 2:00 - 4:00 pm

Curated by Emily Wiethorn and Dahlia Baer

Photography preserves moments, capturing faces, fleeting light, and memories as we move into the unknown. Afterimage: Portraiture as Memory highlights photographers and lens-based artists from Ohio, Indiana, and Kentucky exploring personal, collective, and cultural narratives through the remnants of the past and echoes of the future.
